SOCER TEAM PUTS UNDEFEATED RECORD ON LINE

The Concordia soccer team puts its undefeated string on the line this week when it faces CMR and McGill. Concordia will host the Cadets on Wednesday, October 8th at 4:00 p.m. and then will travel downtown Friday, October 10th to face the McGill Redmen. Game time for the McGill contest is 8:00 p.m. at Molson Stadium.

Concordia boasts a 2-0 record and the top two scorers in the league. Mark Sosnowski, last year's top marksman, leads the league with six goals while Cedomir Glusac is in second place with five.

"The McGill game could be a tough one for us," coach Harry Hus cautioned. "They have some good players and will have a big home field advantage with the artificial surface at Molson Stadium. But we have been playing well lately and should come away with a victory."

CONCORDIA FACES BISHOP'S IN 'MUST' GAME

The Concordia football team returns to the friendly confines of its West-End campus this Saturday after a disastrous road trip. After recording a 31-26 win over McGill in the first leg of a three week road excursion, Concordia suffered defeat at the hands of Ottawa and Bishop's. They host Bishop's this Saturday at 2:00 p.m. and head coach Doug Daigneault has some changes planned.

"A lot of people have become complacent and I guess we will have to shake things up for the Bishop's game," coach Daigneault stated after Saturday's defeat at the hands of the Gaiters. "We must win on Saturday to keep our playoff hopes alive."

Concordia is currently tied for third place in the Ontario-Quebec Eastern Division with a 2-2 record.
